for nomination to the East Cesar Chavez Neighborhood Contact Team, as my Sector,
Business, or Nonprofit Representative on the ECC NCT Leadership Team.

Austin, and have spayed or neutered over 500 feral and owned cats in our neighborhood over the past 7 years, significantly reducing the number of homeless animals. Additionally, I aid my elderly and disabled neighbors to find resources for home repairs.

I am interested in joining the neighborhood planning team as Business Sector Rep. I feel I am qualified because of my business experience and my knowledge in the Real Estate industry and the neighborhood.

While we all know that Austin is growing and experiencing growing pains, that our neighborhood will also have to grow. I would like to be a part of shaping the future for myself and my neighbors. It is my plan to remain in my house as long as my quality of life is good and I can afford the taxes.

I would appreciate your vote for Business Sec Rep.

re; Consideration for Sector 5 Area Rep for East Cesar Chavez

To whom it may concern,

Hello, my name is Cecelia Russell and we have owned our house on Waller for over 5 years. We own a rental property at 1903 Haskell.

My husband, Steve, and I own a construction business that specializes in hardscapes. We have been in business for just under 30 years. We have also raised 3 children here in Austin.

I understand there is a position open for a Sector 5 representative in the ECC and I would like be considered for this position.

I am concerned about the fast growth, our crowded alleys, parking and irresponsible building by developers that do not live in our neighborhood.

I was a block Captain for HOA in Houston. Each block captain added new members to Newsletter, informed residents of changes in product and price of new utility companies, took suggestions from my block for better running of street, dealt with problems on the block that pertained to the HOA. Set up telephone page for each resident to call neighbors with alerts and crime issues. This was back in the 80's and was prior to Internet and social media.

If I am accepted as area representative I will make sure that I am prepared and ready to be at each meeting.

Thank you for your consideration.
Cecelia Russell
