

**Round of Introductions**

- ECCNPT members –

**Citizen Communications:**

- Angelica Noyola passed out material stating that regarding Holly Shores El Concilio represents a narrow group of residents.

**Agenda Items:**

- Two representatives from HMTB and one representative from TXDOT presented information on the I-35 corridor development program. More information can be found at [mobility35.org](http://mobility35.org).  
**Action item tabled until a future meeting to allow for more discussion.**
- Cristina Valdez will be the liaison to the community for CodeNEXT. CodeNEXT is requesting our neighborhood fill out our assessment of our neighborhood called “Community Character in the Box” to better understand our neighborhood for code development.
- Helmut Barnett is requesting street parking permit for 900 block of 3<sup>rd</sup> St to alleviate parking problems due to downtown workers.  
**The motion to support street parking permits for this block was approved on a vote of 5-2.**
- Holly Shores Master Plan is having delays in the approval process due to the length of the community input sessions.  
**The motion to express frustration with the quantity of public meeting process by one group that does not represent the whole neighborhood and request a meeting with the elected CAG members to review and discuss and vote on the plan and proposed changes was approved on a vote of 6-0 with 1 abstention.**
- Emily will send a letter to Austin City Council regarding our position on the Saltillo Tract Development.  
**The motion to empower the communication committee to take action as appropriate to represent and disseminate ECCNPT decisions and actions was approved on a vote of 6-0 with 1 abstention.**

Adjourn.
