All suspicious people or vehicles should also be reported to 911. Trust your gut feeling, if something looks or feels scary—call 911.

## **ECC Team endorses Options for RBJ Senior Residential Center Master Plan**

See [www.rbjcenter.org](http://www.rbjcenter.org) or call Ashley at 477-1018 or email [ashley@estilopr.com](mailto:ashley@estilopr.com). Se habla espanol.

The final Community Meeting was held on Tuesday, Sept. 13 at the RBJ Community Room. At the ECC Neighborhood monthly meeting on 10-19, we selected Options B & C as the best plans to increase affordable housing at RBJ while keeping the size of retail and office space on site smaller to serve primarily neighborhood residents and workers. While current residents at RBJ prefer Option A, we know its important to add some retail and mixed income housing units in order to generate funds to subsidize expanding the number of truly affordable units in the 20+ acre tract. Option D seemed to encourage way too much non-resident uses and E was not only much too dense, it would've required a city-wide vote to swap dedicated parkland near the lake with a green buffer on the Haskell Street side of the tract. Your input via an email to Ashley will be included in the final report to the Board of Directors. **You can learn more about the goals and master plan process by contacting Ashley or visit [www.rbjcenter.org](http://www.rbjcenter.org).**

## **Holly Neighbors Helping Neighbors Wins Holly Grant!**

It's exciting to report the good news that Holly Neighbors Helping Neighbors got funding approved from City Council to go ahead with three volunteer-driven substantial home repair projects, with weatherization and quality of life improvements! Volunteers will be able to learn about things we can do in our own homes to reduce our bills and our impact on the environment, as we help elderly neighbors experience the same! This committee is part of the Holly Neighborhood Coalition and helps neighbors support each other, connecting those with hands to lend with Holly neighbors who need a hand. Get involved today! Join Elizabeth Walsh, Jose Velasquez, and a growing group of committed neighbors to help one neighbor in need with some basic home repair and yard work. Contact: Elizabeth at 524-1098 or [Elizabeth.Walsh@gmail.com](mailto:Elizabeth.Walsh@gmail.com)

The mission of The Trail Foundation is to protect and enhance the Trail at Lady Bird Lake. **ECC Team meeting highlights for Sept. and Oct. 2011 (see [www.eastcesarchavez.org](http://www.eastcesarchavez.org) for more info)**

**In Sept.**, we got news that UT's Planning and Historic Preservation graduate programs will help us with the Austin Historical Survey Wiki tools in support of our efforts to stop displacements and demolitions in our area. We got updates on the Imagine Austin Comp Plan, National Night Out events, meetings with Councilmembers to promote our cocktail lounge policies, had presentations on 5 options for new development on the RBJ tract, Back-to-School nights, agreed to spend \$50 on ads in the Eastside Memorial High Homecoming program and EAST Studio tour. **In Oct.**, Tx Rep. Joaquin Castro presented himself as a candidate for Congress, we elected Farah Rivera to replace Leah as our area's Renters' Rep on the Team, voted on the RBJ master plan, got news about a Nov 17 COA open house on I-35 improvements and the need to get involved because major decisions by Council will happen in Feb; approved 2 requests for late night restaurant

**We welcome our new Renters' Rep!**

Farah Rivera, born in Puerto Rico, moved here for our quirkiness and advanced opportunities. She has 28+ years as a photojournalist with The San Juan Star, Agence France-Presse, Dallas Morning News, Washington Post, Business Week and others in France, Japan, Colombia and the U.S.. She's taught all ages, some thru non-profits, to produce a directory of handicapped artisans for the Puerto Rico Institute of Culture promoting special needs artisans by marketing their products. She's served on the boards of the National Hispanic Journalists' Assoc., Puerto Rico Journalists' Assoc., FotoDivas, and serves now on the RBJ Resident Council as secretary. Farah volunteers at Festival Beach Community Garden, coordinating accessible beds families thru Cancer Connection and at La Pena Gallery where is first solo exhibit

hours for 907 E. 6th and Papi Tinos, and got news that a move to allow neighborhoods to limit invasion of coporations using single family homes like hotels, and approved a support letter to apply National Recreation Trail designation for our Tejano Walking Trail. NOTE: We consider everyone who lives, works or owns property in our neighborhood a member of our Team. We rarely take formal votes and try to include everyone in our discussions. Please come to our meetings.

**Thanks Jeff Thompson!**

Jeff served as vice-chair and led our efforts on Land Use and Plan Amendments for many years. With much regret, we have to let him go so he can spend more time with his growing boys in between increased out of town travel at work. Jeff will still help us as his time allows. Jeff's knowledge of zoning and his diplomacy in being able to craft compromises and establish written policies for our Team to follow so we remain true to the original visions in our Plan is very much appreciated.
