A Local Historic District for ECC??

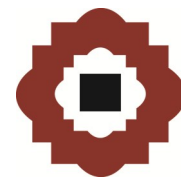

Our ECC Local Historic Preservation Committee is scheduling historic house warming events as forums for neighbors to explore the option of establishing a local historic district in East Cesar Chavez. If you'd be interested in attending - or hosting - such an event, contact Amy at mankin76@gmail.com or 499-0780.

A message from our ECC Team Chairperson

Crisitna Valdes, 789-0309 or cristinavaldes@realtyaustin.com

One of the best features in our neighborhood is its proximity to the hike and bike trail, restaurants, farmer's market, community gardens, and downtown. Now we can add the fact that we have won designation as a National Recreation Trail. The Tejano Walking and Music Legends Trails in our neighborhood have received national recognition and we are celebrating that accomplishment with a ribbon cutting ceremony and reception on September 6th. See detail below. Grab a friend and set out on an adventure to learn more about these streets of ours. The stories that they tell will amaze you!

Bring your scissors and help us cut the ribbon to celebrate federal recognition by the US Dept. of Interior's National Park Service as a 2012 designee for status as a National Recreation Trail for our
Tejano Healthy Walking Trail &
Trail of Tejano Music Legends
Thursday, Sept. 6th at 11 am
at the historic Fish Pond, 1207-1301 Haskell St.

See the Trail Map on Page 9 or click [here!](#)

Parking is limited. Please walk, bike, catch Metro Bus #21/22 or carpool. Parking lots and bus stop are located behind the RBJ Residential Tower, enter from Waller Street.

Program Agenda for Ribbon-Cutting Ceremony & Reception:

11 am Ribbon Cutting Ceremony @ Historic Federal Fish Hatchery Pond, 1207—1307 Haskell Street, Austin, Texas 78702 (please park behind the RBJ Tower)

Special Guests: Secretary Ken Salazar (invited), Congressman Lloyd Doggett, Senator Kirk Watson, Representative Eddie Rodriguez, Mayor Lee Leffingwell, and LBJ National Park Superintendent Russ Whitlock.

11:30 am Reception immediately following the ceremony @ the adjacent RBJ Senior Residential Tower in the Community Room, 21 Waller Street, Austin, 78702

Special thanks to Tony Morone, the pianist for The Nash Hernandez Orchestra – a Tejano Music Legends Trail Designee, for providing live music for our reception.

The Reception with light snacks is sponsored by the RBJ Residents' Council, East Cesar Chavez Neighborhood Planning Team, Austin Latino Music Association (ALMA), the wonderful RBJ residents and their allies. Contact: [Lori Renteria](mailto:Lori.Renteria@tejanowalkingtrail.com), Tejano Healthy Walking Trail Coordinator, at 512-478-6770, anytime. Crime and Safety Committee Report

by Lori C-Renteria, 478-6770 or lorirenteria@grandecom.net
Our APD District Rep., Jason Huskins, attended our June ECC Team meeting and gave us some tips and info:

- The camera at E. Cesar Chavez and Waller is a traffic camera not part of the HALO cams used in high crime areas. He provided us with the APD contact to request a meeting with local businesses about installing HALO cams in our area.
- Vehicle Break-ins continue to be a primary concern along the rail corridor and E. 6th St. due to poor lighting and opportunities created when visitors to our entertainment district leave valuables in plain site. APD will be renting huge, portable lighting trailers to park in spots where lighting is poor. We will be asking Cap Metro to take responsibility for renting or buying their own lights since the vacant tract along the rail corridor is their responsibility.

Keep calling 911 when you see something odd. Let the 911 dispatcher decide if your call should be transferred to 311. Any crime in progress—even petty crimes—is a 911 call. All suspicious people or vehicles should also be reported to 911. Trust your gut feeling, if something looks or feels scary—call 911.

Sound Complaints still a big problem in our area!

Continue to call 911 for noise complaints. It'd help a lot to keep filing noise complaints using the sound@austintexas.gov or **call the Sound HOTLINE at 974-1000** because the Sound Hotline is monitored by those who approve outdoor music venue permits and repeated complaints can lead to businesses losing their right to have outdoor music permits. Cheer Up Charlies and White Horse are generating the most complaints.

Contact Edward Robinson to get on the notice list for meetings. Edward provided this contact info and helpful links:

2012 National Night Out

Tuesday, Oct 2 7-9pm

For the rest of the nation, National Night Out occurs in August. Since Texas is so hot, the event has been moved to October when it is cooler outside. Neighborhoods throughout Austin join together to:

- Heighten crime and drug prevention awareness
- Generate support and participation in crime prevention efforts
- Strengthen neighborhood spirit and police community relations
- Send the message that your neighborhood is a safe place to live

Neighborhoods are encouraged to come together and send the message that we are all working together to prevent crime and keep our neighborhoods safe.

From 5-9 p.m. on Tuesday, October 2, 2012, residents are asked to turn on their porch lights, lock their doors and spend the evening outside with their neighbors, police officers, EMS and fire fighters. To register your neighborhood party, visit APD's website at www.austintexas.gov/police or call 974-4900 and they will get an application filled out for you.

Applications must be completed by Friday, September 14th, at 5:00 p.m. in order to be officially registered in Austin and to receive organizational material and updates.

Join our neighborhood's crime watch group.

Go to: <http://groups.google.com/group/east-austin-neighbors> and request membership.

The Historic Preservation Committee is happy to announce that it supports Habitat's home repair efforts in the neighborhood. If you qualify for Habitat's Home Repair program and you live in an historic home (i.e. a home over 50 years old and reflects the character of the neighborhood), the Historic Preservation Committee will work with Habitat to identify repair options (materials and techniques) to preserve the integrity of your home's historic character. For more info, contact Amy at mankin76@gmail.com or 499-0780.

Austin Habitat is happy to serve the East Cesar Chavez Neighborhood!

Home Repair: Need repairs made to your home? Have a neighbor who could use some help fixing up their house? Austin Habitat hopes to repair 5 homes in ECC before the end of 2012. We can help with exterior painting, roofing, trim, windows, exterior doors, siding, wheelchair ramps, gutters, plumbing and electric. To qualify, you must own and occupy the home to be repaired, you must not be able to afford the repairs on your own, you must be current on all Austin property taxes or on a payment plan, you must have homeowner's insurance, and you must meet maximum income limits. Please visit our website (www.austinhabitat.org) for more information and call Jacquie at 478-8788 x 100 to see if you qualify!

ReStore: Is there a demolition going on near your house? Call the ReStore at 478-2165 to let us know so we can pick up some of the debris and keep it from ending up in the landfill! Also, donate your items to us to help fund our programs or shop our huge selection of affordable home improvement items! Over the course of 20 years, the ReStore has diverted more than 13 million pounds of construction debris from our local landfill. The money from sales of these items helps fund Habitat's mission of eliminating poverty housing through our new homeownership and home repair programs.

Homeownership: Know of someone looking to purchase a home? We're not building in ECC but we do have new homes nearby! We offer orientation 3 times per month. Call Jacquie at 478-8788 x 100 for more information or visit our website at www.austinhabitat.org

Classes: We offer FREE HUD-certified homebuyer education and foreclosure counseling! Call today to schedule an appointment: 478-8788 x 100.

Welcome! Bienvenidos! Julio Perez

Festival Beach Community Garden onsite manager and a long-time Austinite who hails from Monterrey, Nuevo Leon, Mexico was elected as a non-profit rep on our ECC Team in August. He's one of seven siblings, he went to Brooke Elementary and Allen Jr. High in East Austin. He admits it was not easy, due to the language barrier and says it was difficult making friends. In time he made friends with all people from all walks of life. The family moved to South Austin but always kept going back to East Austin. They've always kept up and keep up with people in East Austin. Julio told us, "We have been here for 44 years and can't think of anywhere I would live other than here. I would like to have the opportunity to be involved in the Cesar Chavez Planning Team. I have been here and seen what has gone on that I would like to be able to give input in the future of this neighborhood. Serving this community would be a pleasure and an honor." Many thanks to Julio and all the other folks who step up and volunteer to help us implement our action steps in ways large and small. Why don't you call a Team member and get involved, too?

[Dear Capital Metro stakeholder, We need your input!](#)

Capital Metro is proposing changes on several routes in **South Austin, Northeast Austin, and Northcross** areas. The proposals aim to improve transit access, efficiency and reliability and will go before the Capital Metro Board of Directors on September 24th and if approved, would take effect on January 13, 2013. The proposed route realignments, extensions, and adjustments should improve efficiency and increase ridership without an increase in costs, and will have no impact on the service area for MetroAccess.

Greetings from the Festival Beach Community Garden. Festival Beach Community Garden is growing leaps and bounds. Yes, not only our veggies and flowers, but also our involvement in the community with help from 2 new interns. TK karakashian tunchez and Armando Salinas are working on outreach, education, and community connections to Festival Beach Garden. They held classes with youth at Camacho and Metz REC centers this summer and it was a HUGE success. Working with about 75 young people, they shared many brilliant things, including, talking about the value of compost, what sorts of vegetables they grow that are culturally important to them, and how much they love working the garden. **One of our young people said, "I love being here so much, I don't ever want to leave!!!"** We'll be offering other education programs for community wellness and food production in the fall. Another ongoing project of the FBG community is The Hope Food Pantry at the RBJ Residential Center held on the 3rd Wednesday of every month at 9:30 am. To help at the Pantry or for info, call Farah at 512-501-9853. **If you would like to support these programs by volunteering to help maintain the plots, making a contribution for supplies, or offering workshops for the youth and/or adult participants please contact our interns via email: tikisone@gmail.com or armandosalinas.mando@gmail.com Or you can call our onsite FBG manager, Julio Perez, at 443-0801 or azucar_al@att.net.**

A group of UT students and the Holly Neighborhood Coalition Team built a beautiful mobile toolshed and filled it with gardening tools, a monthly guide to planting in Central Texas, a seed-trading wall, and other resources for neighborhood projects as well as for tool checkout by individuals—including our neighbors to the west in the East César Chávez Neighborhood. When not in active use for organized projects, the new toolshed lives at the East Side Food Park, 2209 E. César Chávez Street.
